A MOVE NOT FAR

We, the Board of Trustees at Teachers Saving Children® Inc. of Ohio, have had the great privilege of working with Connie Bancroft over the past several years. In fact, there are some who have done so from the very founding of this organization, observing firsthand how she has consistently maximized the gifts God has given her. Although she will now focus the majority of her time, energy and resources at the national level, our partnership will continue to thrive as we work together for the cause of life. It is with gratitude and anticipation that we look to the future and all that God has in store for us; and we wish Connie the very best as she enters this new phase in ministry.

Dear Colleagues:

When seven concerned teachers came together in February, 1991, I never dreamed that I would be asked to serve as the co-chairperson and then eventually the Executive Director of this organization. What a humbling privilege it has been – not only to serve, but also to connect with wonderful people from across Ohio.

It has been exciting to watch the Lord move this small entity into a National organization. It has also been exciting to see His Hand in guiding this organization as we have made an impact on hearts and lives across this state. Lives have been changed! Babies have been saved!

After much prayerful consideration, I sense clearly that it is time to step aside effective August 31, 2011, not only as the Executive Director, but also as a member of the Ohio Affiliate Board of Trustees. The Ohio Affiliate is strong and very capable of functioning without my direct involvement. It is also time for others with fresh ideas to become more involved on the state level.

In addition, my stepping aside from active involvement on the state level will allow more time and energy for me to serve Teachers Saving Children[®] on the national level.

Thank you for your support and respect of me in allowing me this opportunity to serve as the Executive Director for the Ohio Affiliate. It has been a blessing that I will always treasure.

Yours for Life,

Miss Connie Bancroft, Executive Director
Teachers Saving Children Inc. of Ohio

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the Gospel from the first day until now, being confident of this, that He Who began a good work in you will carry it on to completion until the day of Christ Jesus." Philippians 1:3-6
