SPECIAL THANKS

The Ohio Teachers Saving Children® Board of Trustees wants to express their sincere appreciation to Patrick J Perotti, Attorney at Law. Mr. Perotti has served as our attorney for the past 15 years and we are very grateful for his support of the pro-life cause. He is associated with the law firm of Dworken & Bernstein which is located in Northeast Ohio. This firm of 18 attorneys is very well recognized and effective. Instead of spending enormous amounts of money in advertisements, they have built their success since 1959 solely by word of mouth referrals from friends and clients. Their services for individuals and families include workers' compensation, personal injury, family law, employment law, bankruptcy, and estate planning. They also have legal services available for businesses. If you or someone you know has the need for legal counsel, we would highly recommend Mr. Perotti and any of the other attorneys within this firm.
